

“THE GREATEST HERESY”

Delivered to **DANVILLE BAPTIST CHURCH**

Lord's Day Morning March 10th 2017

Elder Jeff E. King TH.M.

Alt. Title: Infant Baptism and its associations, are spiritually adulterous.

Hebrews 2:1

Therefore we ought to give the more earnest heed to the things which we have heard, lest at any time we should let them slip.

Any false teaching is false because it is unsupported by the Word of God.

Infant baptism is a false teaching and much more.

It is a monstrous evil.

It is a **damnable** heresy.

Since the fall of man, we are in an environment of evil where the laws of the environment demand a persuasion of condemnation and ultimately damnation.

Satan is a deceiver and a deceiver influences in an evil way.

The tail of the Red Dragon is a tail of evil persuasion.

Rev. 12: 3-4

...behold a great red dragon...and his tail drew the third part of the stars in heaven...

The dragon is Satan (**vs.9**) and he led many angels to rebel against God and follow him. These stars are like angels that Satan influenced to sin against God. His tail (influence) caused the angels to fall.

Note:

The biblical ordinance of Baptism, when practice accordingly, is of divine authority.

But... when it is not practiced biblically, it becomes a very devilish tool to damn people for all eternity.

Infant baptism perverts the Word of God:

It has been said of infant baptizers; the great commission demands all nations are to be baptized, so logically, since babies are a part of the nations; you must baptize babies.

****That is their biblical foundation!!**

God forbid they should try to interpret any other portion of God's Word.

Infant baptism is an offence to saints and Christ. - ...ye sin against Christ.

Infant baptism damages fellowship!

“Christian union, and infant baptism, can never exist together. Between the millions of Baptists and pedo-baptists this rite interposes a barrier which is, and must forever remain impassable. But Christian union is imperative upon us all. Whatever prevents it is an evil. Infant baptism prevents it therefore infant baptism is an evil.” –Howell

The premise of this heinous sin against God and man is where its authority comes from. Yes, there is an authority behind the bases for this injustice. It is something that man has sit up within himself and uses as a compass, thermometer and as some extremely complicated biological monitor that offers therapy demands.

In religious terms, it is an idol within psyche/heart and mind of a human that determines their likes and dislikes, discernment, and worship standards. This idol is presumption and it is the greatest idol known to man. It is enabled by flawed logic and is powerful, controlling and very influential to others.

Infant baptism is an offence to saints and Christ. - ...ye sin against Christ.

It's in the nature of the ...false prophet... to bring in...damnable heresies... 2 Peter 2:1

Infant baptism requires a criminal conspiracy:

The heads of Satan's churches (partial list):

Pope, Martin Luther, John Calvin, Henry the 8th, John Wesley

The bishops of each congregation.

The parents of each infant.

The associate. (friend or family supporter)

The Baptist minister that refuses to warn against it.

Note:

For a Baptist to be in association with this sort of crime against God and humanity, would indicate apostasy, at the very least!

****Remember: John 8:44**
